

Introduction

The www.yomane.com Website may use cookies, web beacons, tracking pixels, and other tracking technologies when you visit our website, www.yomane.com, including any other media form, media channel, mobile website, or mobile application related or connected thereto to help customize the website and improve your user experience.

About this Cookie Policy.

This Cookie Policy explains what cookies are and how we use them, the types of cookies we use i.e., the information we collect using cookies and how that information is used, and how to control the cookie preferences. For further information on how we use, store and keep your personal data secure, see our Privacy Policy.

You can at any time change or withdraw your consent from the Cookie Declaration on our website. Learn more about who we are, how you can contact us, and how we process personal data in our Privacy Policy.

Your consent applies to the following domains: yomane.com

What are Cookies?

Cookies are small text files that are used to store small pieces of information. They are stored on your device when the website is loaded on your browser. These cookies help us make the website function properly, make it more secure, provide better user experience, and to understand how the website performs and to analyse what works and where it needs improvement.

How Do We Use Cookies?

Much like most online services, our website uses first-party and third-party cookies for several purposes. First-party cookies are mostly necessary for the website to function the right way and they do not collect any of your personally identifiable data. The third-party cookies used on our website are mainly for understanding how the website performs, how you interact with our website, keeping our services secure, providing advertisements that are relevant to you and all-in-all to provide you with a better and improved user experience and help speed up your future interactions with our website.

What Types of Cookies Do We Use?

Necessary: Some cookies are essential for you to be able to experience the full functionality of our site. They allow us to maintain user sessions and prevent any security threats. They do not collect or store any personal information. For example, these cookies allow you to log in to your account and add products to your basket, and checkout securely.

Analytics: These cookies store information like the number of visitors to the website, the number of unique visitors, which pages of the website have been visited, the source of the visit, etc.

These data help us understand and analyse how well the website performs and where it needs improvement.

Functional: These are the cookies that help certain non-essential functionalities on our website. These functionalities include embedding content like videos or sharing content of the website on social media platforms.

Preferences: These cookies help us store your settings and browsing preferences like language preferences so that you have a better and efficient experience on future visits to the website. The below list details the cookies used on our website.

How Can I Control The Cookie Preferences?

Should you decide to change your preferences later through your browsing session, you can click on the “Cookie Policy” link on your screen. This will display the consent notice again enabling you to change your preferences or withdraw your consent entirely. In addition to this, different browsers provide different methods to block and delete cookies used by websites. Most browsers are set to accept cookies by default. However, you can remove or reject cookies in your browser’s settings. Please be aware that such action could affect the availability and functionality of the website.

For more information on how to control cookies, check your browser or device’s settings for how you can control or reject cookies, or visit the following links:
